

Concerning the use of public funds to construct parks and recreation facilities, 56.2% agreed or strongly agreed while only 15.6% disagreed or strongly disagreed with this concept. Concerning the use of admission fees to construct and maintain such facilities, 38.5% agreed or strongly agreed while 36.4% disagreed or strongly disagreed.

Respondents overwhelmingly preferred (69.4%) the use of other funds such as grants or donations to construct parks and recreational facilities. Only 5.4% disagreed or strongly disagreed with the use of these funding sources.

A policy identical to the policy which follows was included in the 1993 Update and similar strategies for its implementation were carried out by the Town.

#### POLICY

The Town supports the provision of adequate, accessible, and well-maintained public recreational facilities geared toward children and the year-round population. It also supports organized recreational activities.

#### IMPLEMENTATION STRATEGY

The Town will continue to implement the Recreational Facilities Plan utilizing public funds.

### 25. Community Appearance

#### BACKGROUND

The Planning Board continues to serve as the de-facto Community Appearance Committee. Planning Board members, and professional staff have discussed the need for more action regarding roadside and beach litter. Programs such as "Adopt-a-Street" or "Adopt-a-Beach" and Trash Attack! have been implemented.

A policy identical to the policy which follows was included in the 1993 Update but the strategies for its implementation were not fully carried out by the Town as it did not appoint a Community Appearance Committee nor did it locate recycling containers at beach accesses.
